B.Tech student jumps from 11th floor

After talking to a friend for a long time, he left his mobile on the stand and jumped, incident at a premium residential building near PDEU in

Gandhinagar

A sensational incident that took place late last night (August 2) in the premium residential Vinayak Saral Courtyard near Raisan PDEU University in Gandhinagar has created a stir in the entire area. A 19-year-old youth living in Ghodasar area of ??Ahmedabad and studying B.Tech at Anand has jumped to his death from the 11th floor under mysterious circumstances. Devarsh had a long conversation with a friend on his mobile and then jumped after leaving the mobile on the shelf. In this regard, Infocity police have registered a case of accidental death and are conducting further investigation.

Regarding this, PSI Investigating Officer A. I. Muliyana said that since the incident took place at night, detailed inquiries are pending in the society. While since the last rites of the deceased are being performed, the statements of the parents and family are also pending. Based on the complaint of the deceased's maternal uncle, a case of accidental death has been registered.

Returned from Vadodara and went to Vinayak Saral Cotyard's flat.

According to preliminary information received from reliable police sources, deceased Devarsh's father Ajaybhai Dixit has a flat on the eleventh floor of Vinayak Saral Cotyard Society. This flat is currently rented out to an airline pilot. Yesterday (August 2), Sunday, Devarsh had gone to Vadodara with his maternal uncle for some work. After that, returning from Vadodara late in the evening, he dropped his maternal uncle on horseback and himself set out to go to his home in Ahmedabad.

After talking for a long time with his friend, he left his mobile on the shelf and jumped.

However, instead of reaching his home, Devarsh had directly reached his father's flat in Gandhinagar. At that time, the tenant pilot was at his job, so no one was present in the flat. After coming here, Devarsh had a long conversation on his mobile with his friend named Ronit late at night. After the conversation was over, he left his phone on the shelf and jumped down from the 11th floor under mysterious circumstances.

Security guards and residents rushed to the scene.

Suddenly, a loud bang was heard, and the security guards and residents of the society rushed to the scene. The seriously injured Devarsh died on the spot. The residents immediately informed the Infocity police station about this, and a police convoy rushed to the scene and took necessary legal action. The police have sent the body of the deceased to the hospital for postmortem and are conducting further investigation.

Why did the young man suddenly come to the Gandhinagar flat instead of going home?

Further, sources added that the exact reason behind the young man's suicide is still unclear. There is also a mystery surrounding why the young man suddenly came to this flat in Gandhinagar at night instead of going to his home. The family is in deep mourning as the funeral of the deceased is currently underway, so their detailed interrogation is pending.

AMC's only show of filling potholes!

Ahmedabad

The Ahmedabad Municipal Corporation (AMC) is claiming that potholes have been filled on a war footing after the rains stopped, but the reality is quite the opposite. Potholes are still prevalent in the eastern and western parts of the city, causing great inconvenience to motorists and creating serious traffic jams.

Traffic problems due to potholes in the western and central zones:

Potholes are present on the narrow road at the end of the bridge on the road from Gandhi Ashram to Vadaj in the Vadaj area. Near Prem Darwaza in Dariapur, near Thakkarbapanagar Bridge and outside the out gate of Kalupur railway station, vehicles have to slow down due to large potholes on the main road, which causes motorists to get stuck.

Incomplete work and dangerous potholes in the eastern area

On the road from Gomtipur Metro Station to Khokhara Bridge, the administration has done a seemingly half-hearted job, in which half of the potholes have been filled with material and half are left. Apart from this, there are large potholes near Amraiwadi Metro Station, Jogni Mata Mandir intersection, outside Takshashila Education Complex in Odhav and near Surelia Estate in Indrapuri, in which even a big tire can get stuck.

Questions against the indifference of the system and authorities.

The officers of the engineering department of AMC are showing the completion of the work by only posting photographs.
